💡 The Value Proposition to Fans

- 15-Second Match Pulse:** Get instant tactical clarity between meetings or on the commute without watching 20-minute video recaps.
- Dual-Sport Parity:** Built specifically for Gen-Z fans in India who follow both high-stakes IPL Cricket and European/ISL Football.
- Viral Social Cards:** 1-click shareable match graphics engineered natively for WhatsApp status and Telegram groups.

💡 Asymmetric Value Proposition to Advertisers

- 100% Native Sponsor Integration:** Non-intrusive "Powered by [Brand]" on viral match cards instead of ignored banner ads.
- High-Intent Sports Audience:** Direct connection to young, tech-savvy sports bettors, fantasy players, and sports consumers.
- Unmatched CTR & Retention:** 8-12x higher click-through rates than traditional programmatic display banners.
